Dear Program Participant,

You have registered for the Sanford Parks and Recreation “Summer jr. Counselor” program. This program is designed to involve you, the young teenager in a 2-3 day a week program in which you will learn what it is like to work with children, leadership skills, effective discipline procedures, filling out applications, interviewing skills and other related responsibilities for the playground atmosphere. The Director of each playground/camp will monitor your development. Each camp director knows that you are allowed to take vacations with your families as well as time off for other commitments. A short note to your camp director indicating the dates you will not be available to work is necessary and helpful for planning purposes.

Our experience with this program has been very positive. We know that not everyone is meant to work with children. This program has helped in making up young career choices for many teenagers. We hope you too will learn from this experience.

Please fill out the “Jr. Counselor Questionnaire” form. Return it to the Sanford Recreation Department as soon as possible. We would like to know which camp you are interested in volunteering at this summer. Choices are limited due to enrollment numbers and ages. You may be choosing a camp location due to limited transportation issues. This form helps us determine your location and keep our staff well rounded. Again, return it to our office or you can email me at ljhegarty@sanfordmaine.org.

Thank you for your participation in this program. If you have any questions please call me at 324-9130.

Sincerely,

Lori Hegarty
